You agree to indemnify and hold AccScience Publishing, and its subsidiaries, affiliates, officers, agents, co-branders or other partners and employees, harmless from any claim or demand, including reasonable attorney fees, made by any third party due to or arising out of your use of the Sites, your violation of these terms and conditions, your violation of any rights of another, or any breach of the foregoing representations, warranties and covenants. You are solely responsible for your actions when using the Sites, including, but not limited to, costs incurred for Internet access. AccScience Publishing reserves the right, at our own expense, to assume the exclusive defense and control of any matter for which you are required to indemnify us, and you agree to cooperate with our defense of these claims. In no event shall AccScience Publishing or its employees, agents, suppliers or contractors be liable for any damages of any nature, including without limitation any consequential loss, damages for loss of income or profit, loss of or damage to property, loss of goodwill, use, data or other intangible losses, claims of third parties, or any other loss, cost, claim or expense of any kind or character arising out of or in connection with the use of the Sites, their content or any web site with which they are linked.

These terms and conditions constitute the entire agreement between you and AccScience Publishing and govern your use of the Sites, superseding any prior agreements between you and AccScience Publishing (including, but not limited to, any prior versions of the terms and conditions) and any prior representations by AccScience Publishing. These terms and conditions shall be governed by and construed in accordance with the laws of Singapore, without regard to conflicts of law principles. The failure of AccScience Publishing to exercise or enforce any right or provision of the terms and conditions shall not constitute a waiver of such right or provision. If any provision of the terms and conditions is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties’ intentions as reflected in the provision, and the other provisions of the terms and conditions remain in full force and effect. You agree that regardless of any statute or law to the contrary, any claim or cause of action brought against AccScience Publishing and its subsidiaries, affiliates, officers, agents, co-branders or other partners and employees, arising out of or related to use of the Sites or the terms and conditions must be filed within one (1) year after such claim or cause of action arose or be forever barred. The section titles in the terms and conditions are for convenience only and have no legal or contractual effect.
